

FOOT LOCKER OPENS FOURTH STORE IN MALAYSIA CELEBRATING YOUTH AND SNEAKER CULTURE

PETALING JAYA (Sept 2019) — Foot Locker, the leading global destination for speciality athletic-lifestyle footwear, apparel and accessories, celebrates the opening of its Sunway Pyramid, Malaysia property.

Located in Sunway Pyramid, the store boasts dedicated women's and kids areas, combining premium product and elevated in-store presentations, as well as enhanced customer experiences.

With impressive footwear and apparel collections from global brand partners, including Nike, Jordan, adidas, Puma, Fila and Champion, customers can expect immersive experiences and elevated product storytelling. Among the exciting offerings customers will have access to the widest selection of Nike Air Max Plus (TN's) available in market.

To celebrate the opening, Foot Locker hosted an in-store event for local influencers and consumers. Attendees experienced a local DJ performance and Nike customization.

Foot Locker has now launched four stores in Malaysia, the first opened in 1 Utama last November, with additional locations in Sunway Putra, and Central I City Mall last month.

"Sunway Pyramid marks another milestone in our Malaysia journey, where we aim to connect with the sneaker-obsessed youth consumer through all touchpoints, especially with this new store in addition to our existing e-com site and social media channels " said Tomas Petersson, GM and VP, Foot Locker Asia.
